To all ECPCC representatives

Dear representatives,

As you know the last ECPCC Council meeting took place during the conference in august 2005 in Sigtuna, Sweden. According to the Constitution of the ECPCC (http://www.ecpcc.info/index_two.htm) the Council members need to gather again before the next conference in Leuven, Belgium in 2009. As many of you plan to attend the ICPCC conference in Poland starting august 7, 2007, we thought it would save time and money to plan our council meeting in the same venue in Poland on Monday afternoon august 6, 2007. So the ECPCC council meeting will proceed the ICPCC conference in Poland with just one day. We will keep you informed on the program and the costs of lodging. We hope you can already plan this council meeting in next year's agenda!

The 8th Worldwide Congress of the ICPCC will take place from
August 7 - 14, 2007, Krzyzowa, Poland
For more info, check out the ICPCC conference website:

Please let us know if you are no longer a representative for your country in the ECPCC and give us the name of a new representative or an organization we can contact.
